

WHO CAN BRING VIRGINIANS TOGETHER?

Democrats, Republicans & Independents All Agree Bob McDonnell Will 'Just Say Yes' To Good Government

More Responsive Government Through Bi-partisan Redistricting

"Bob McDonnell's support of a bipartisan redistricting commission demonstrates his commitment to a fair and open process that welcomes and encourages citizen involvement.

Providing more access and information to voters during the redistricting process is a strong and positive sign that, as Governor, Bob will work to make government more transparent and responsive to the people of Virginia."

- Judy Ford Wason,
Advisory Board, Virginia Redistricting
Coalition

Supports A Two-Term Governor

"For Virginia to maintain its leadership as one of the best states in America to do business, we must abandon our antiquated rule limiting Governors to one four year term. Bob McDonnell is showing real leadership for Virginia by supporting a change that allows voters a chance to voice their opinion about the job a Governor has done. Bob's experience as a legislator and as Attorney General makes him uniquely qualified to bring about this important reform."

- John Sherman,
Former Chief Executive Officer, Scott &
Stringfellow;
Member, Joint Subcommittee to Study the
Balance of Powers Between the Legislative
and Executive Branches

Transparency In Government Through Elimination of Wasteful Spending

"An informed citizenry is key to growing our economy. Bob McDonnell's proposals to create transparency when it comes to the spending of taxpayer dollars, and the use of technology to provide more access to executive boards and commissions are cutting edge ideas that show he will simplify government services for families and make it more user friendly for the working people of Virginia."

- George Newstrom,
Former Virginia Secretary of Technology,
Office of Governor Mark Warner

The Virginian-Pilot

MARCH 26, 2008

"McDonnell has worked effectively with Democratic Gov. Tim Kaine and... showed a talent for assembling bipartisan coalitions..."
